

## Happy New Year!

After taking over the business from the Cambridge family at the beginning of 2020, Bec and Leigh have thoroughly enjoyed being the new owners of Adelaide Hills Gas despite the trying times of 2020. It has been a challenging year but what a great place Australia is to be. We hope you and your family have remained safe and are looking forward to 2021 as much as we are. Thanks again for buying with AHG, all the best for the new year.

### Why choose us?

We are a family run business with our gas fitter, drivers and office staff living locally in the Hills or surrounding suburbs. By choosing us for your LPG

supply, BOC gasses, welding equipment and much more, you are helping a South Australian small business. Your one stop shop for all things LPG, call a local number and speak with Teagan, Leigh, Bec, Jo or Kellie (shown above left to right) we look forward to working with you in the coming years.

### WIN a FREE Gas Bottle.... PAY YOUR CYLINDER SERVICE CHARGE ON TIME FOR YOUR CHANCE TO WIN!!!

Simply pay your enclosed account before the due date to automatically be entered into our annual draw to win 1 of 2 FREE 45kg cylinder refills.

\*The current cost of a 45kg cylinder will be credited to your account to be used within the following 12 months. Winners will be randomly system selected on 11.02.2021 and will be contacted via phone or email. GOODLUCK!

### Cylinder service charge:

Please find enclosed your annual cylinder service charge. The explanation of charges are as follows:

1RENT = 1 cylinder, 2Rent = 2 cylinders and so on.

Please advise our office of any changes that need to be made to your account. **If you have received this correspondence via post and you would prefer to have accounts emailed please provide us with your email address next time you speak with us.** We currently have 70% of customers actively using email and we are hoping to improve this

further in 2021. Here at AHG we value the environment and recycle goods where ever we can, this year we have focused on becoming a paperless office and implemented further recycling with our everyday waste.

### **Does your heater need servicing? Thinking about installing a new gas oven? Is one of your gas appliances not working as it should?**

We can service, install and supply a range of gas appliances including hot water services, portable heaters, fixed gas fires, ovens and even gas bird scare guns. You can choose to bring your appliance in for repair at our workshop or we can visit your home to carry out the service and repairs. Our gas fitter stocks a wide range of spare parts for various different brands in his vehicle.

Why is servicing important?

- \* Efficient gas usage
- \* Safety
- \* It extends the lifespan of your gas appliance
- \* Ensures all warranty can be covered

Our gas fitter, Brian, has over 40 years experience and is a proud member of the Master Plumbers Association. Contact the office to organise a time to service your appliance or for a free no-obligation quote. Get in before the winter rush!

### **Recycle your old, unwanted gas bottles for here for FREE**

Cleaning out your shed and come across some old bottles you no longer require? Drop them off today for recycling, free of charge and safely disposed of. If your bottle is in poor condition, it can be turned into other metal products. Gas bottles are usually made from plate steel which can be recycled many times. Recycling your gas bottle can save up to 75% of the energy needed to make steel products from scratch.

If you do not wish to recycle your gas bottle but it is out of date (longer than 10 years since from the test date), we are able to retest and refill the bottle allowing you to continue safely using your bottle. Call the office today to find out more.
