

Welcome to 2026!

Adelaide Hills Gas Annual Newsletter

JAN
26

Welcome to the New Year! We hope you enjoyed a well-earned break over the festive season and had the chance to spend time with family and friends. As we step into 2026, we're looking ahead with optimism and enthusiasm, ready for another year supporting our customers and communities with reliable LP Gas solutions.

Thanks to the strong growth we've seen across our customer base, we're pleased to share that several towns throughout Southern Adelaide have now been transitioned to our *in-area* rates. Expanding our service footprint and customer density allows us to operate more efficiently, and means we're passing those benefits directly on to local households and businesses. This change reflects our ongoing commitment to providing competitive pricing and dependable service to the communities we serve.

For those customers already included in our *in-area* zones, our overall growth allows us to service your area on a more regular basis, in most cases offering same day or next day delivery. For more information on our delivery schedule, visit our website.

Exciting changes to Our Online Services

Throughout 2026, we'll be working towards a website upgrade along with a new online ordering platform. The design and functionality will be more user-friendly and efficient for our operations. The system will integrate seamlessly with our CRM, while also introducing an electronic driver portal to streamline delivery completion. Adelaide Hills Gas staff will have a live feed on when deliveries are completed and you will also receive notifications when your delivery is completed. Our developers are working towards integrating a payment platform to enable payments to be taken at time of ordering. Updates will be provided before the system release.

Pay your rental invoice enclosed before the due date to automatically go in the draw to win

FREE RENTAL FOR THE 2027 YEAR.

Two random winners to be chosen. Simply pay your invoice before 31.1.26 and an account credit will be provided to cover the cost of next years rental charge.

AHG Customer SPECIAL OFFER

We're excited to announce Adelaide Hills Gas is a new sponsor of the Strathalbyn Racing Club- and now the club's gas supplier! A strong local partnership supporting a fantastic community event.

If you've never been before, you're in for a treat! Think country charm, great local food & drinks and a social atmosphere where you can get up close to the action. There's plenty of space for the kids to run around, entertainment throughout the day and a welcoming community vibe.

Mention this advert to receive a **30% DISCOUNT** off the hire cost of a function room at the Racing Club. Perfect for weddings, birthdays or any event. events@strathracing.com

Do you have one of our Witt Pizza Ovens? Try this easy Home-Made Dough Recipe

Bec has tried and tested many different dough variations in the WITT Gas Operated Pizza Ovens and this one is a clear winner. This easy pizza dough recipe is great for beginners and produces soft and chewy homemade pizza bases. Skip the pizza delivery because you only need 5 basic ingredients to begin!

Makes 4 Pizzas

Ingredients

- 600g pizza flour
**If Molino preference or Italian substitute.*
- 2 tsp (6g) instant yeast
- 2.5 tsp (15g) cooking salt
- 4 tsp (20g) white sugar
- 330 ml warm tap water

Recipe credit to [RecipeTinEats](#) with the exclusion of olive oil for the more traditional cooking method in the Witt Pizza ovens.

Four cheese pizza – a crowd favourite

A Year in Review

Major Maintenance Updates

This year we undertook several important improvements to our site. The most significant was the full refurbishment of our bulk LPG storage tank - its first in 25 years. This major project not only ensures continued safety and compliance but also reinforces the long-term reliability of our supply for customers who depend on us daily. Alongside this, we completed a series of well-needed upgrades throughout our facility, modernising key areas to improve efficiency and overall site presentation. One of the more noticeable changes is the refresh of our front garden and an illuminated sign which has helped create a cleaner, more visible and welcoming entrance. Together, these updates highlight our ongoing commitment to maintaining a professional, safe and inviting environment as we prepare for another busy year ahead.

New Product Partner

This year has marked an exciting step forward for our business as we expanded our product range with a new line of high-quality Metpress fittings from Austworld. Known for their reliability, durability, and smart design, Austworld fittings have quickly become a valuable addition to our offering. Bringing this brand on board aligns with our ongoing commitment to supply our customers with trusted products that make their work easier, safer, and more efficient.

To celebrate the launch, we hosted a dedicated trade day to introduce the press fitting range to our local gas-fitting contractors. It was a fantastic opportunity for customers to meet the Austworld rep, see the products firsthand, and learn more about the technical features that set the brand apart. We were thrilled by the turnout - which showed just how eager the local trade community is to stay informed and connected.

If you would like to be involved in future events, please ensure you have set up a trade account, which can be done in-store or over the phone.

Did you know we stock a wide range of products from leading brands such as:
